of it away because they're over worked. Now, I think we ought to leave it just exactly like it is. If the Governor doesn't want it this way, let him veto it and send it back in. Then we can take action on it. Let's leave the bill where it is.

PRESIDENT: All right, the motion is to direct the Clerk to ask the Governor to return LB736. If you're in favor of that motion vote aye. If not vote no. The motion is to direct the Clerk to return or to ask the Governor to return LB736 for an amendment...as explained by Senator Luedtke. If you're in favor of the motion to ask the Governor to return the bill vote aye, if not, vote no. Now, once again, have you all voted? Takes more than 13 votes to direct the Body to do that. The Chair's going to rule that. Now once again, have you all voted? All right, the Clerk will record.

CLERK: 12 ayes, 26....correction, 12 ayes, 16 nays, 21 not voting.

PRESIDENT: All right, the motion is lost. What other business do we have on the desk?

CLERK: Mr. President, I ask unanimous consent to expedite LB1028 and LB1028A, signed Senator Carpenter.

PRESIDENT: Senator Carpenter.

SENATOR CARPENTER: I move adoption of the motion.

PRESIDENT: Is there any need for further discussion?

SENATOR CARPENTER: What it does, it expedites the bill dealing with the anti-trust laws and Senator Schmit is going to Washington, I understand, Thursday. He'd like to have this Body take some definite action either before or soon thereafter so he can tell the committee before which he's going to testify that this state has passed this kind of a bill in order to try and solve their own problems.

PRESIDENT: Are there any objections to the expedition of LB1028 and LB1028A? Any objections? Hearing none, so ordered. They'll be expedited.

CLERK: Mr. President, I ask unanimous consent to print some requests of the Speaker in the Journal. Signed, Senator Stahmer.

PRESIDENT: All right, are there objections? Senator Kelly. Stand by. Senator Kelly, for what purpose do you rise?

SENATOR KELLY: Mr. President, I'm trying to get your attention on this LB1028. I want to see it expedited but that doesn't do away with the ability to amend it, does it?

PRESIDENT: No, sir. Well, stand by, no, LB1028, no, it's already been advanced to E & R for Engrossing. No, it can be brought back if you so choose and you get the votes to do it. Yes, sir. That doesn't preclude.....that doesn't preclude anything.

SENATOR KELLY: Fine, because I'm.....
